

RELEASE DATE: May 3, 2021

## **5N Plus to Release First Quarter Fiscal 2021 Results on May 10, 2021 and to Hold Its Virtual Annual General Meeting of Shareholders on May 13, 2021**

**MONTREAL, May 3, 2021 /CNW Telbec/** - 5N Plus Inc. (TSX: VNP) will release its first quarter results after market hours on May 10, 2021. 5N Plus will host a conference call on May 11, 2021 at 8:00 a.m. (Eastern Daylight Time) to discuss the results. 5N Plus also announced that it will hold its annual meeting in a virtual only format, which will be conducted via a live webcast.

### **Q1 2021 Results**

To join the conference toll free, please dial 1-888-664-6392, or 416-764-8659 in Toronto. The conference access code is 09260209.

To access via webcast please visit the "Investors Center" section of [www.5nplus.com](http://www.5nplus.com). Pre-registration will be available.

Please note that this conference call will be accompanied by an online presentation available to download on our website and that a playback will be available two hours after the event at 1-888-390-0541, until May 18, 2021. The access code is 260209.

### **Annual Meeting of Shareholders**

Recognizing the widespread cancellation of public events for the protection of individuals and public safety in the face of the ongoing COVID-19 pandemic, this year again, 5N Plus will hold its annual general meeting in a virtual only format, which will be conducted via live webcast at <https://web.lumiagm.com/250800254> on May 13, 2021 at 10:00 a.m. (Eastern Daylight Time).

### **About 5N Plus Inc.**

5N Plus is a leading global producer of specialty semiconductors and performance materials. The Company's ultra-pure materials often form the core element of its customer products. These customers rely on 5N Plus's products to enable performance and sustainability in their own products. 5N Plus deploys a range of proprietary and proven technologies to develop and manufacture its products. The Company's products enable various applications in a number of key industries including renewable energy, security, space, pharmaceutical, medical imaging, and industrial and additive manufacturing. Headquartered in Montreal, Québec, 5N Plus operates R&D, manufacturing and commercial centers in strategically located facilities around the world including Europe, North America and Asia. The Company's mission is to be critical to its customers, valued by its employees and trusted by its shareholders. The Company's core values focus on integrity, commitment and customer development along with emphasis on sustainable development, continuous improvement, health and safety.
