

Rockcliff Metals Announces Strategic Review and Retains INFOR Financial Inc. as Advisor

Toronto, Ontario--(Newsfile Corp. - February 7, 2022) - Rockcliff Metals Corporation (**CSE: RCLF**) (**OTCQB: RKCLF**) ("**Rockcliff**" or the "**Company**") announces that the Board has formed a Special Committee to evaluate strategic alternatives to surface value for all shareholders and has retained INFOR Financial Inc. ("**INFOR Financial**") as its strategic advisor. INFOR Financial will work collaboratively with the Rockcliff management team, the Special Committee and Board of Directors to pursue, engage and evaluate strategic alternatives to advance the company's Manitoba assets and unlock value for shareholders. There can be no assurance that the Company's strategic review process will result in any transaction or investment.

Chairman Mark Sawyer stated, "Rockcliff strongly believes there is embedded value in its suite of high-grade copper projects that is not reflected in its quoted share price. To realise this value Rockcliff needs to build scale and move towards its stated ambition of becoming a copper producer. The macro environment at present makes this an exciting time to be working with INFOR Financial towards realising this ambition."

Mr. Sawyer continued, "INFOR Financial brings significant mining and minerals experience and a full-service corporate finance advisory suite that can assist us throughout the process of evaluating our alternatives and pursuing a thoughtful path forward. We look forward to working with the experienced INFOR Financial team as we prudently evaluate the strategic alternatives available to us."
